

## **Report on Anti-Drugs Awareness Programme and Quiz Competition**

**16/10/2023**

**Venue: Seminar Hall, Government College Ambalapuzha**

**Organizer: National Service Scheme Unit No. 93**

The National Service Scheme Unit No. 93 of Government College Ambalapuzha organized an Anti-Drugs Awareness Programme, named "Drugs Free Youth," along with a quiz competition on the topics of drugs, Gandhiji, and current affairs. The program was initiated with the NSS Geetham and was a remarkable effort in promoting awareness about the adverse effects of drug abuse among the youth. The event commenced with a warm welcome speech by the Programme Officer, Sri. Shajim M S. Following this, Dr. Abhilash Kumar R G, the Principal of the college, inaugurated the program, emphasizing the significance of creating a drug-free society. The informative session was led by Sri. Antony A K, the Excise Preventive Officer of Alapuzha Range, who provided valuable insights into the negative aspects of drug use.

The session was highly interactive, and students were given an opportunity to address their concerns and queries about drug abuse and its legal implications. This open discussion created a platform for students to gain a deeper understanding of the subject. In the afternoon, a quiz competition was organized, which included 15 teams, with each team consisting of two students. It was heartening to see the enthusiastic participation of all the teams in the quiz competition. At the end of the initial phase, five top teams were selected from the 15 competing teams. The final round of the quiz was an intense battle of wits among these top five teams.

After a closely contested competition, three teams emerged as the winners. The first prize was awarded to Smt. Haneefa Bai and Smt. Vinaya Sijimon from the fifth semester BA Economics. The quiz was expertly moderated by Midhun from the first-year BSc Mathematics degree. To conclude the event, Smt. Jisha delivered a vote of thanks to all the participants, expressing gratitude for their active involvement and making the Anti-Drugs Awareness Programme and Quiz Competition a resounding success. This event served as a significant step in raising awareness about the dangers of drug abuse and encouraging a drug-free lifestyle among the youth.

The National Service Scheme Unit No. 93 at Government College Ambalapuzha is committed to organizing more such initiatives to foster social responsibility and awareness among the students.
